### Them and Us

- Acts of Kindness
- Showing Respect
- Not Harming Others

# OUR LEARNING JOURNEY

S	P	I	R	I	T
<b>Self-Management</b> These skills and attitudes are the minimum expectations for success in any phase of work.	<b>Perseverance</b> These skills and attitudes will help you in all professions as not giving up is a sign of strength and determination.	<b>Innovation</b> These skills and attitudes will allow you to think around problems.	<b>Reflection</b> These skills and attitudes will improve your outcomes and grades.	<b>Independence</b> These skills and attitudes will improve your learning now and for your whole life.	<b>Team Work</b> These skills and attitudes are essential in all places of work as we perform better collectively.
